

WeldHub

WeldHub is a Canadian online marketplace dedicated to [welding](#), [NDT](#), and [industrial equipment](#). We connect Canada wide buyers with high quality, reliable suppliers and manufacturers like you!

Why Choose Us

At WeldHub we are dedicated to connecting welding customers with dependable, high-quality industrial equipment. When you chose WeldHub, you're choosing trusted preformance and proven reliability.

WeldHub together with Engrity Group Inc. operates in accordance with Canadian CSA welding inspection standards.

Canada has a strong need for modern welding and industrial equipment, and many current options fall short. WeldHub is partnering with vendors & manufacturers to fill that gap.

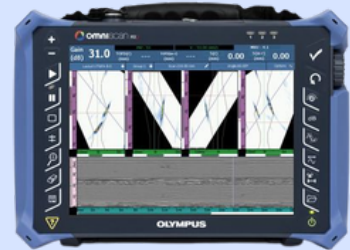

We boost your equipments visibility nationwide and help you expand your customer base effectively

Our goal is to ensure Canadian buyers have access to dependable & quality equipment.
